Mail: University of Kentucky College of Dentistry, Office of Alumni Affairs
138 Leader Avenue, Suite 10, Lexington, KY 40506-9983

2015 Distinguished Alumnus Nomination

Alumni and friends of the University of Kentucky College of Dentistry are invited to nominate alumni as candidates for consideration to receive the Distinguished Alumnus Award.

Nominations are carefully considered by a special committee selected by the UK College of Dentistry Alumni Association. This award will not automatically be given every year. Please consider the following criteria when nominating someone. Candidates must:

1. Have demonstrated a loyalty to the College;
2. Have shown excellence in the profession of dentistry;
3. Be recognized by peers for having reached and remained at the pinnacle of their field of dentistry;
4. Have shown evidence of merit of work in their field of dentistry and Community leadership.

To nominate a candidate, submit the nomination form and a letter (no more than three pages) that includes information about the candidate’s achievements, the impact of those accomplishments, and why you believe he or she should be considered. Nominators need not be alumni of the UK College of Dentistry.

Incomplete nomination packets will not be considered. Nominations will be accepted until June 15, 2015.

For more information, call Sue McConnell at (859) 323-6676.

The award will be presented at the Alumni Dinner during the 2015 Fall Symposium and Alumni Weekend on Friday, October 2, 2015, at the Hilton Lexington/Downtown Hotel.
